ACADEMY

MANAGED SERVICES APPRENTICESHIPS

Hello,

We're ANS - the UK's leading digital cloud experts.

We innovate, push boundaries and create digital solutions to solve some of the UK's biggest business challenges. We deliver pioneering solutions to revolutionise patient care in the NHS, transform buyer experiences across the UK's biggest retailers and empower local government departments to transform the way they deliver services to residents. And that's just the tip of the iceberg!

We launched the ANS Academy in 2013 to inspire and mentor the next generation of tech innovators. We provide challenging and rewarding jobs, with industry leading training and hands-on experience.

Fact File

Course Duration: 3 years

Desired Qualifications: GCSE grade 4 or above in Maths, English & ICT

Average Academy group size: 10

Course Introduction

Pursue world class qualifications with the likes of Microsoft and Amazon Web Services while receiving hand-on tuition in a real work environment.

Our Technical Analyst Apprenticeship lasts for 3 years. Over this 3-year period, you will complete Level 3 and 4 vocational qualifications that are relevant to the Technical Analyst role. The Apprenticeship is broken down into a number of different modules, all of which are made up of both theory and practical elements.

There are additional technical aspects that you will be expected to cover as part of the course. Don't worry if you don't recognise the content at this stage as the course is designed to make you aware of these technologies and how they are applied. Below is a list of some of the modules you will cover during the apprenticeship:

Networking

Computer Architecture

Cloud Services

Storage

Operating Systems

Coding & Logic

Business Process

Compute & Virtualisation

Security of ICT

Soft Skills

Vendor Training

Remote Support

“The first time I walked into ANS, I instantly thought this is the place for me. I saw the amount of recognition that the apprenticeship programme had received, and I knew it was something that I wanted to be a part of.”

MATT ROBERTS
TECHNICAL ANALYST APPRENTICE

Why choose ANS Academy?

There has never been a better time to pursue a career in technology.

Tech is now at the heart of our everyday lives and is integral to the success of our economy. From writing the code that powers autonomous machines in manufacturing plants to designing chatbots for retail customers to enable them to revolutionise customer interactions - a career in tech is full of possibilities. So what are you waiting for?

Kick Start a Career in IT

Your life-long success starts right here.

As an ANS apprentice, you can progress through our Managed IT Services and Professional Services Team. Start as an apprentice, work hard and you could be leading a skilled team in no time. And you don't even need a background in IT - all you need is a passion for tech and a willingness to put in some hard graft.

Earn While You Learn

Earn money whilst gaining practical skills qualifications.

You'll receive a competitive wage which exceeds the Living Wage, as well as receiving the same benefits as everyone else in the workplace. These include things like paid holidays, sick leave and our exclusive Purple Perks benefits package. On successful completion of the course, we aim to offer you a permanent position at ANS.

Training & Development

When you're eager to up your game, we've got your back.

We believe you should always be at the top of your game, so we've invested heavily in training and development to ensure you're always motivated and supported to achieve your goals. You'll receive quarterly 1-2-1 development reviews as well as mentoring to enable you to build on your desired career progression path.

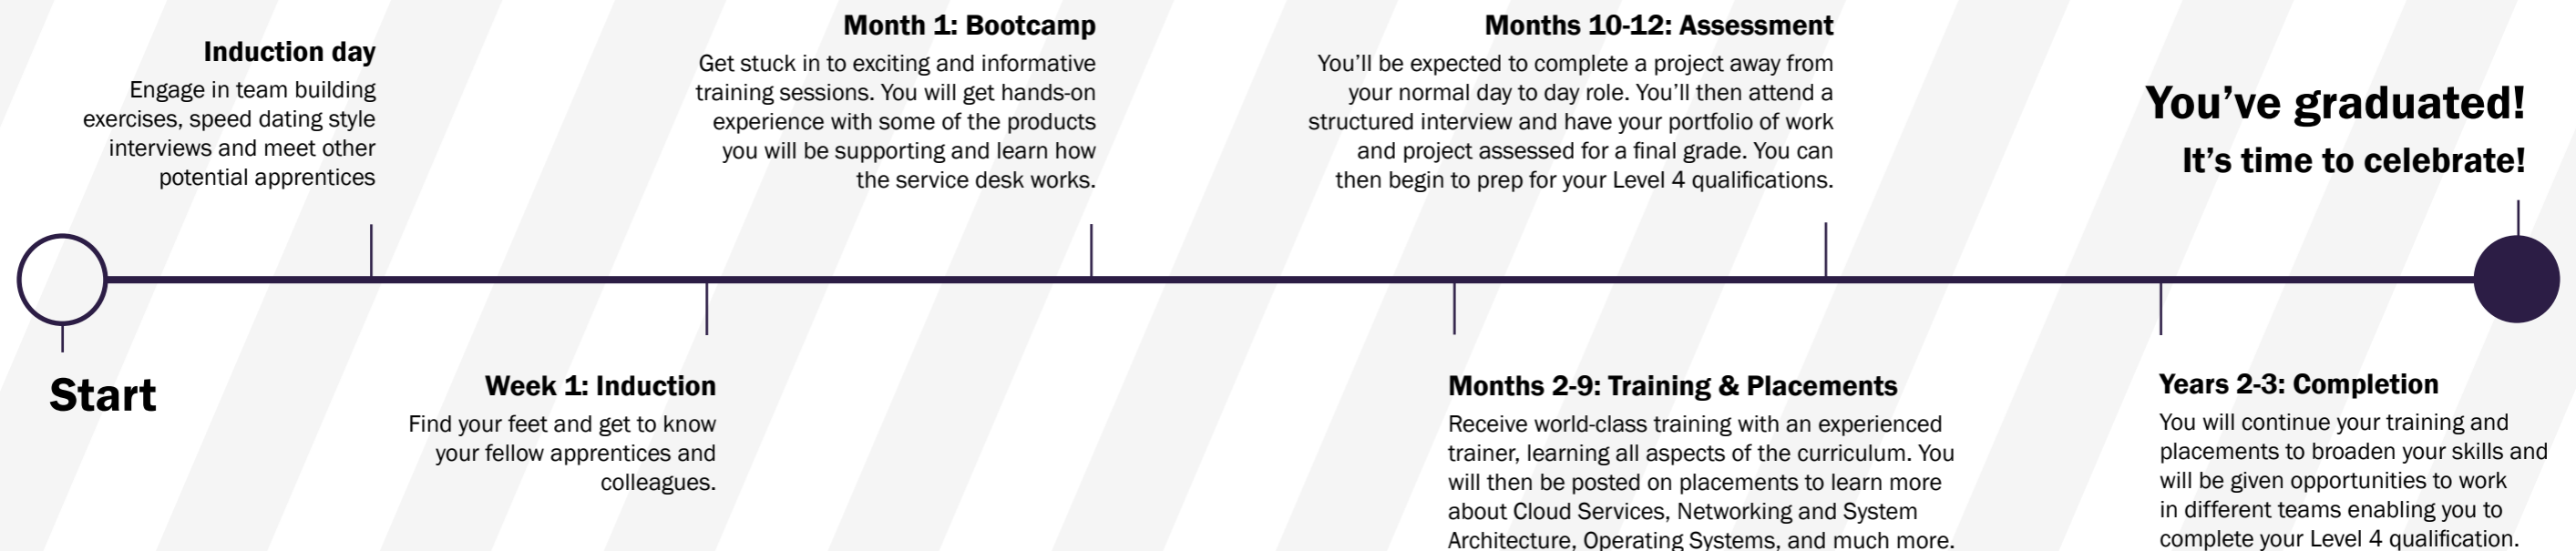

Work Hard, Play Hard!

You've come to the right place.

When you join the ANS Academy, you can expect to make loads of new friends, attend extravagant Summer BBQs and Christmas parties, as well as receiving great perks like discounted cinema tickets, 2 for 1 on meals out, your birthday off and loads more! We aren't one of the Sunday Times top 100 Companies for nothing.

Your apprenticeship journey...

“At ANS we truly believe in nurturing talent and ensuring that all of our apprentices receive the very best support and resources to enable them to fulfil their potential, and get the best out of their careers.”

PAUL SHANNON
